Black Swamp Gamers – Codes of Conduct

It is important that members have a common understanding of what behavior is expected to ensure the physical and emotional well-being of our members and guests.

- We are a private group. Guests who intend on playing must be accompanied by a member and in some cases, approved by a limited partner. This is for security reasons. Visitors, such as walk ins, are welcome to browse and converse but are not allow to participate in any gaming unless a guest pass is used.
- There is absolutely NO CHEATING while gaming. If caught, you'll be warned but if it's consistent, you'll be asked to leave and possibly have your membership revoked. These will be determined on a case by case basis.
- Please keep our area clean and tidy. Once a game is played, please put it back properly in its box and put it back on the shelves where you found it. Please also dispose of any trash into the waste basket.
- Please also remember to practice clean personal hygiene while gaming. Many other people will be playing these games after you so to keep the spread of germs to a minimum, always remember to wash your hands after using the bathroom or eating greasy foods. There will also be hand sanitizer bottles placed around the club area.
- Accidents do happen but to try and prevent them all together, UNCAPPED drinks are not allowed to be placed on tables where games are in play. Leave your drinks anywhere OTHER than the play area to keep spills from ruining the games.
- If you intend on playing a game with others, you are expected to FINISH the game as well. We understand if you have to leave, then someone else can take over your turns, but not finishing a game simply because you don't want to is not fair to the other players. To keep each game going smoothly, you should only be playing 1 game at a time, no jumping back and forth between tables.
- The way you play your game is different than how others play theirs. BE RESPECTFUL of other people's playing styles.
- Be considerate of other players opinions and ideas. Everyone is neither right nor wrong. If needed, grab an officer to settle your disputes. EVERYONE INCLUDING OFFICERS, are expected to be mindful of your topics of conversation and refrain from excessive foul language, racist comments or slurs, etc. Conversation as such creates a bad, uninviting image that the club does not condone. Members or Officers caught using such language will be handled on a case by case basis.
- ABSOLUTELY NO TABLE FLIPPING. Calmly remove yourself from the table and relieve your tensions outside.

By signing the Membership Application and signing the line below, you hereby accept full responsibility for your actions while participating in club sponsored activities and game days. Black Swamp Gamers cannot be legally held responsible for the ideas and actions of it's members/officers. Any questions that arise based on these guidelines should be brought to the attention of an officer. These rules are subject to change at any time with the approval of club officers. Failure to comply with this policy can result in the immediate termination of membership without monetary refund of dues.
